

5

ATTRIBUTES OF AGILE STUDENT TEAMS

1

SMALL

Consists of 3–5 members. Small teams have less overhead & make decisions faster.

2

Shared-Ownership

Collective responsibility for any and all work.

3

Cognitively Diverse

Members have different backgrounds and perspectives to better solve complex challenges .

4

Multi-Strengthened

Each team member contributes different strengths.

5

Stable

Teams retain their membership over time which builds trust and better collaboration.
